

CONVENTION DELEGATE CHART

The following table shows how the voting strength and registration fees are computed. The Immediate Past Department Commander is entitled to one additional vote, (the Immediate Past Department Commander's Post is responsible for the additional \$15.00).

Each Post must pay the entire Delegate fee, even if only one Member is present. In such case, the one Delegate would be authorized to cast all votes the Post is entitled to.

Each Post is entitled to one vote for their charter plus one vote for every 50 Members or fraction thereof.
