### Exciting News — Our Long-Awaited New Home Construction Has Begun!

As a result, we have a few important updates for this year's food convoy:

- **No Pallet Deliveries:** Due to limited space, we are unable to accept pallets at this time. Our storage bays are currently full.
- **Parking & Unloading Instructions:** Please coordinate with **Robert Halberg** AL Area B Vice Commander at (208) 994-2954

Thank you for your understanding and continued support!

### *What happens if we receive more than we can use?*

*The generosity of the American Legion and the Treasure Valley Community sometimes means we receive more than we can store. Veterans Home Boise will stock as much as our space will allow and then share your largesse with the VA Medical Center, Boise Rescue Mission and Idaho Food Bank. After exhausting those avenues, we may share with staff.*

*Per state regulations, we are not permitted to serve expired items to residents. **Please check dates and look for the longest shelf time available.** On behalf of the Boise Veterans Home and the residents you are serving — Thank you!*
